## ***Scavenger Hunt 2011***

### **Instructions**

Visit each of our 15 historic sites to complete the clues related to harvest and bounty. With each correct response you can collect a recipe card, with a recipe specific to that site.

Once completed, you can leave the scavenger hunts with their contact information at the site where you complete it or return it to the Historic Germantown Office at **5501 Germantown Avenue Philadelphia, PA 19144.**

All returned hunts will be entered into a raffle. The raffle basket includes merchandise from our sites, gift cards to local establishments, and a signed photograph of Mike Patterson, Defensive Tackle for the Philadelphia Eagles!

For questions about the Scavenger Hunt, please contact Carolyn Faris at [programs@freedombackyard.com](mailto:programs@freedombackyard.com).
